Plainlabel Facts

SPEC SHEET 0417
DESIGN PROTOTYPE
ALL VALUES: SAMPLE

A nutrition label for generated content. One click on a page badge shows **who made it, what an AI changed, and what each claim rests on.**

EXAMPLE PAGE: COUNCIL BACKS RIVER WALL; CYCLE PATH CLOSES — MODEL: LUMEN-2 (SAMPLE)

01 Ingredients

What a person wrote. What an AI wrote, translated, summarised or personalised.

Headline and body	Written by a person
Key points	Summarised by AI
Wording for you	Personalised by AI
Photograph caption	Written by a person
Model and time for each AI part	lumen-2 · sample

02 Sources

Every claim traces to something. A line with no source is marked.

Vote was 7 to 2 (sample)	COUNCIL MINUTES
Path closes for works (sample)	NOTICE
Cost is lower than last plan	REPORTER NOTE
“Residents are thrilled”	TRUST NONE
Added by AI, no source found	Flagged

03 Personalisation diff

What changed for you, against the creator’s text. Word by word.

The council ~~approved the plan~~ voted to build the wall on Tuesday. The ~~route along the river~~ cycle path you use closes for about ~~several~~ six months.

OFF — LIGHT · FULL

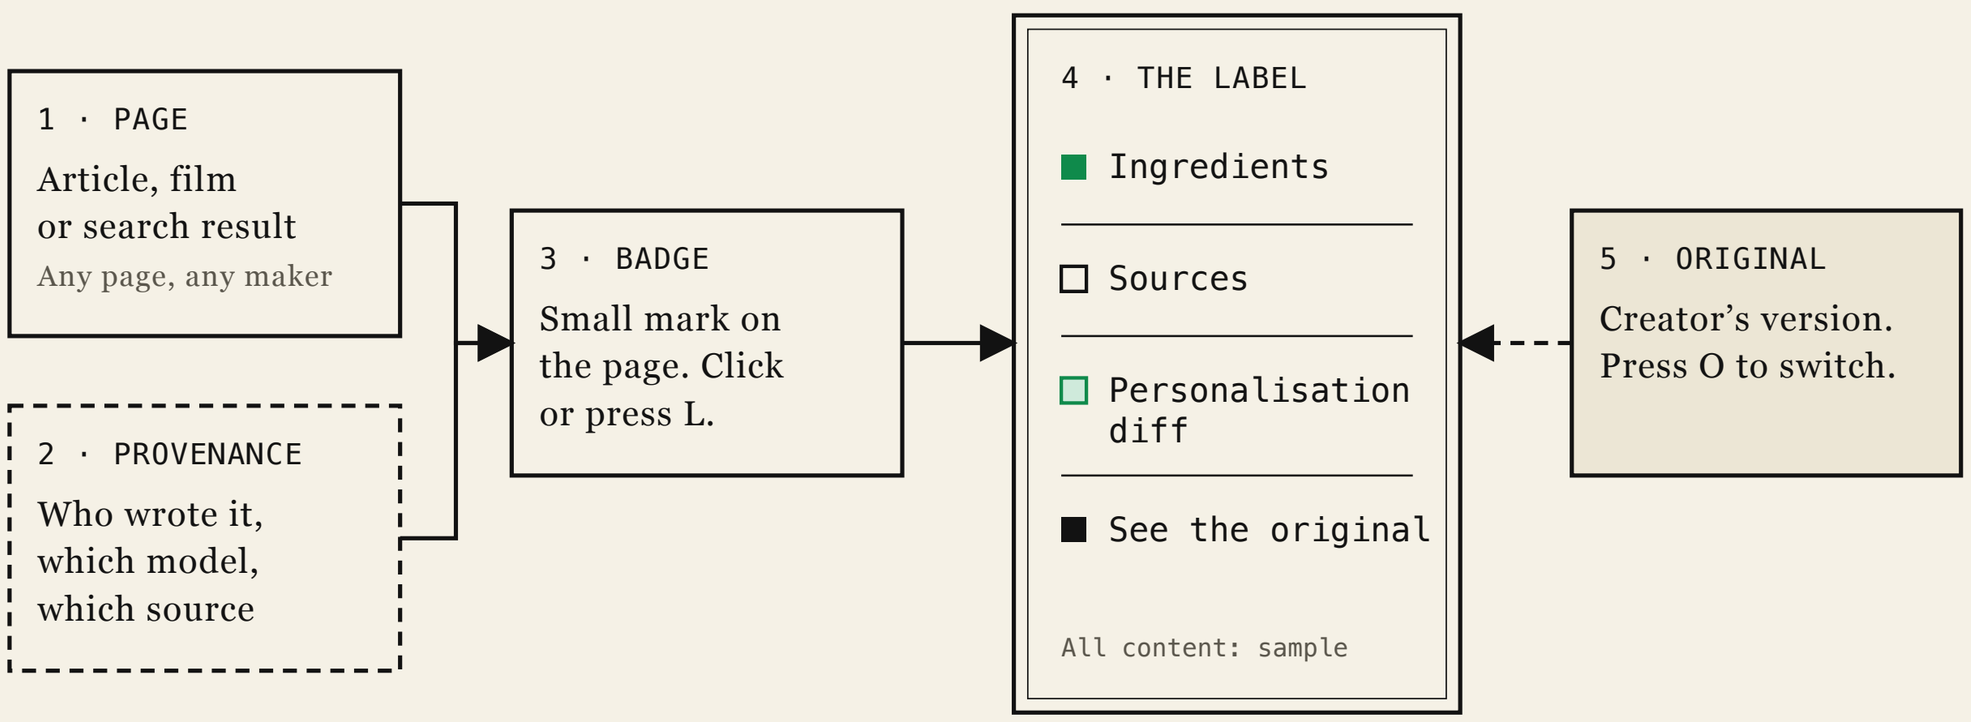

04 Original

The creator’s version, kept whole. One switch brings it back.

> The council approved the plan on Tuesday. The route along the river closes for several months.
