Almanac

SEARCH BEYOND THE WEB

AN ALMANAC OF YOU

Ask your whole week.

One private timeline of your notes, receipts, sleep and focus. Kept on your own device. Cited, searchable, and quiet where it must be.

Not recorded. On purpose.

What did I spend on food after bad sleep?

$133.90

on the 2 days after nights under six hours. A normal weekday cost **$19.63**.

1 Sleep · 2 Receipt · 3 Sleep · 4 Receipt · Sample data

01 ASK

Plain words in

Cited answers out. Every claim links to its source entry.

02 QUIET ZONES

Never captured

By place, app, person or voice. A hatched gap shows what was left out.

03 LENSES

Apps ask. You choose.

Named scopes, an end date, and one tap to revoke.

04 NUDGES

One small action

An insight becomes a suggestion, never an automatic act.
